What can I find in my backyard?!

In my backyard there's a fence, a fire pit, some trees, some grass, some ants and occasionally, a rabbit. This summer our six weeks of camp will focus on what we can find in our backyard. There's a lot to see if you know how to look for it. We'll start in our own backyard and expand each week to see that our backyard can be as big as the whole world!

Week 1 – June 11 – June 14 My own backyard

Literally – what can we find in our backyards in Raleigh, NC? We'll look at plants, animals, bugs and birds- there's no limit to what we can find in our backyards.

Week 2 – June 18 – June 21 The city in my backyard

We'll expand our yards a little this week to look at the city of Raleigh. What things do we find in the city? And what things make Raleigh a special city.

Week 3 – June 25 – June 28 The lake in my backyard

We're lucky to have several lakes in our area. What can we find in our backyard at the lake? And what kinds of fun can we have while we're there?

Week 4 – July 16 – July 19 The mountains in my backyard

We don't have to drive far to have fun in the NC mountains. We'll be taking a look at the mountains in our backyard and the treasures we can find there.

Week 5 – July 23 – July 26 The beaches in my backyard

No backyard exploration is complete until we've explored our beaches. From Carova to Sunset, we are blessed with easy access to a beautiful coastline. What can we find if we look closely there?

Week 6 - July 30 – August 2 The world in my backyard

Technology makes the world seem smaller and smaller. So it's no great reach to see the whole world as our backyard. We'll take a look at our global backyard to see how we are alike and how we are different from our backyard neighbors.
