Updated Prayer Requests - Greystone is a community of friends who believe in the power of prayer. We hope that you will provide updates to the concerns you have previously shared with us and continue to inform us of ways that we can prayerfully support you and those close to you. We are hoping to create a living document and will be working to keep this list vital and current by updating it every month. Any request that you submit will remain on the prayer list for a month. After a month we hope that you will offer an update and advise if this is still an ongoing need. We are humbled and grateful for the ability to come alongside you in your distress and in your joy to offer prayers to our loving, creative and merciful God.
