A NOTE FROM PASTOR CHRISSY

Sometimes we can get bogged down in the daily challenges we face as individuals and as a congregation. Everything feels different now, and because of that it can be difficult to see the good things that are happening in our church.

As the first quarter came to an end, we decided to take a look back and lift up some hopeful signs that we see in our ministry together. As your pastor, I am energized by the commitment to one another, the energy for the future, and the spirit of innovation that you embody as we continue to build our future together with God.

MISSIONS

Over 50 people from our congregation participated in direct mission hours this quarter, not including all of those who donated food, money, and other resources to many of our mission partners.

Our youth packed care kits for Urban Ministries of Wake County—the supplies for these were funded by your missions dollars given to the operating fund.

Our children worked in the church garden, and several of our members served with Habitat of Humanity and Walnut Creek Wetland Center.
