Your non-refundable deposit of \$25 per week enrolled must be turned in with your registration form or your spot will not be reserved. Remaining balances for all June weeks of camp (\$90/week) are due on May 22, 2023. Remaining balances for July weeks (\$90/week) are due on June 30, 2023. The entire week's tuition must be paid even if your child does not attend the entire week.

Our summer program is offered based on a minimum enrollment. In any given week, if our minimum number of students is not enrolled, we will cancel that week and refund your money in full.

Summer program hours will be 9:10 - 1:00, Monday - Thursday. All children will drop off in carpool. Parents will come to camp classrooms to pick up at the end of our day. A late fee of \$5/every five minutes will apply for students still in our care after 1:00.

A Medical Emergency Release form must be on file in the preschool office in order for your child to attend. Please make sure we have your current phone number in case your child becomes sick and we need you to pick him up early. **PLEASE** do not send your child to camp sick. We reserve the right to send home any child we feel is not well enough to participate in camp activities on a particular day.

You will need to send a lunch for your child each day and a snack in a bag labeled with your child's name, separate from his lunch. We will provide water at snack time, so no drink will be required. Also, make sure you apply sunscreen to your child each day before camp!

Children will be grouped by age as much as possible. There will be weekly themes filled with activities to educate, stimulate and provide fun for each child. The children will have opportunities to join in music and movement activities, stories, art, crafts and much more.
